

### **Back office (Steel business)**

Ansteel Spain S.L. is a joint venture between Ansteel (Angang), one of world's leading steel manufacturers and Stemcor, the world's largest independent steel trader.

Our services span every step in the steel supply chain and include finance, steel trading, distribution and stockholding.

We require a competent Back office person who will be based in our Madrid office. You will work mainly with export documents letters of credit and progress orders from our mills in China for our Iberian based customers.

Candidate should be:

- Competent in MS Office-Word, Excel and Email.
- Self-motivated and can work well either as part of a team or individually.

Experience in administration of international trade would be a plus.

High level of mandarin Chinese, English and Spanish are required.

Please send your CV to [elena.perez-lobato@ansteel.es](mailto:elena.perez-lobato@ansteel.es)
